Please note that failure to comply with the following criteria will result in an invalid request to speak:

1. Requests to speak on any of the planning applications listed should be received in writing to the Planning Unit or by email to planning@lisburncastlereagh.gov.uk no later than 12 noon on the last working day prior to the scheduled Committee meeting.
2. The request should state whether the intention is to speak in support of or in opposition to the relevant planning application. Requests must be accompanied with a written representation of no longer than two sides of an A4 page typed in Arial font, minimum size 10 summarising the points to be addressed and provide supplementary information (to include, for example, photographs or otherwise) in support of your case. The written submission is not intended to replace a speaking note if a speaker wishes to expand on the points raised in the meeting.
3. A contact number and email address must be provided to allow individuals to be invited to/participate in virtual meetings.
4. Late requests may be accepted by the Chair of the Committee in exceptional circumstances.

Circulation of Information

5. The written representation submitted when registering to speak will be circulated to Members in advance of the Committee meeting. Any written documentation received after this time will **not** be circulated unless it is agreed by the Chair.
6. No documentation must be circulated at the meeting to Members by speakers. If speaking remotely the sharing of any media will not be permitted.
7. MPs/MLAs and all Members may attend and speak about an application. They will be afforded 3 minutes to summarise the detail of the written representation submitted along with the request to speak. Where more than one elected representative is registered to speak for or against a proposal they are encouraged to seek areas of common ground to avoid duplication of issues and questions. Where possible elected representatives are encouraged to share the speaking time allowed.
8. Members of the public in support or objection to a proposal will be afforded 3 minutes to speak about the application. Where more than one person is registered to speak for or against a proposal only one person from those objecting to the proposal and one person in support of the proposal will be allowed to speak.
